Who I am makes a difference.
I am a Positive Tomorrows star.
I am successful. I finish what I start.
I am tenacious. I don’t quit until I succeed.
I am able. I am able to help others succeed.
I am ready. I am ready to learn. I am ready to do the right thing.
I am ready to succeed.

Two years. As we celebrate two years in our beautiful new school, and two years of this global pandemic approaching, we look back with gratitude and forward with hope. As I write this, in my first full week as President and CEO, I can’t help but be grateful.

The last two years have been challenging, but I am so proud of the amazing staff that have met every challenge with optimism and tenacity. I look forward with a strong team who treasures each day with students, even though we don’t always know when it will be a student’s last day. We meet every day giving all we can to ensure each student leaves feeling empowered, successful and loved.

To our staff – Thank you for being champions and advocates for our kiddos and families. We know how much they can accomplish and it is so exciting to watch them grow and exceed goals. We see and hear you. I’m so excited to see where we go in the next year as we open two new classrooms, including expanding into middle school.

To our donors, volunteers and partners - we are so thankful for you. It’s your generosity that created the momentum propelling us forward. It’s your generosity that has allowed us to create a vision for expansion of our programs. And most of all, it’s your generosity that allows us to remain strong and productive, providing hope for families living in poverty.

Margaret Creighton, President and CEO
Who We Are

Positive Tomorrows is Oklahoma’s only elementary school and social service agency specifically for children and families experiencing homelessness. We help students and families to succeed, and we do it in three main ways:

1. By breaking down barriers to learning like hunger, lack of basic necessities, medical care, and transportation
2. By supporting families so they can improve their housing, employment and overall quality of life
3. By providing a differentiated, trauma-informed education to every student, complete with enriching, extracurricular opportunities

It is only with the support of a generous community that we continue to keep our doors open to children and their families. As we prepare to open new classes and enroll more students, we are grateful for the donors, volunteers, and friends who have helped us build a strong foundation.

On behalf of our students, families, and staff - thank you.
139 students served  83 students turned away

Average daily attendance: 72%
Days of school: 166
Median length of stay: 106 days

Why are students turned away?

- 46% Class is full
- 21% Grade not offered
- 17% Outside transportation area
- 6% Special Education needs
- 10% No virtual option
- 21% Class is full

There are over 27,000 homeless students in the state of Oklahoma.

*Data provided by the Institute for Children, Poverty and Homelessness

There are over 6,000 homeless children in Oklahoma City alone.

*Data provided by Oklahoma City Public Schools and Putnam City Schools.
Being couch homeless doesn’t always mean sleeping on a couch. These students call a different place home every night. They may double up with other families in a shared dwelling with makeshift sleeping arrangements.

Other situations our families may face before coming to us include bouncing around unsafe motels or even spending nights in the family vehicle.

These categories are typically the most unstable situations for a student.

“I got to have a birthday party at school this year. There were presents and cake and my mentor gave me a card. It was fun!”

-Johnae, 2nd grade
158 families and 458 individuals served

of our families*

- **95%** maintained or improved stable housing (75% improved)
- **60%** maintained or improved employment status (53% improved)
- **70%** maintained or increased their income (60% increased)

* families served 3+ months at Positive Tomorrows

for our students

- **53** health check-ups
- **32** dental screenings
- **179** hearing screenings
- **25** eye exams
- **819** counseling sessions

breaking down barriers to learning

- **18,992** instances of transportation provided
- **36,975** meals provided
- **10,212** basic necessities distributed like shoes, clothing, and hygiene items
Students participate in a daily after-school program. During school breaks - fall, winter, spring, and summer - day camps ensure students continue to learn and grow. As a resource for our transitioned families, former students are also invited to attend break camps.

80 students enrolled in after-school programs
128 students enrolled in break camp programs

music - yoga - art - swimming lessons - Boy Scouts - Girl Scouts
Camp Fire - the zoo - museums - sports camp - ice skating - French
hip hop - theatre - golf - boxing - ballet - basketball
Evaluating our Program

Positive Tomorrows assesses students using a tool called the Measures of Academic Progress (MAPs) assessment, which focuses on individual student growth.

MAPs assessments are designed to be given three times during the year for continuing students and upon entry and withdrawal for students only here a short time. Because enrollment fluctuates considerably at Positive Tomorrows, not all students can be assessed more than once, due to their length of stay.

Interpreting Results:

In MAPs, improvement is measured in Rausch Units, or RITs. RIT scores allow students to be accurately measured regardless of their grade level. The RIT scale uses equal intervals, and it has the same meaning regardless of grade level, so the RIT scale spans grades.

In order to evaluate RIT scores within a context, RIT Scale Norms have been developed that show what students in various grades are achieving nationally. The mean RIT Scale Student Achievement Norms for the corresponding grade levels are represented with dotted lines on the following graphs. The average Positive Tomorrows student RIT score growth is represented by a solid line for each grade level.
Academic Improvement: Kindergarten - 2nd Grade

K - 2nd Grade Reading Growth

K - 2nd Grade Math Growth
Academic Improvement: 3rd - 6th Grade

3-6th Grade Reading Growth

3-6th Grade Math Growth
Mobility, Trauma and Tracking Progress

The 2020-2021 school year at Positive Tomorrows served more students than the previous year due to the median length of time a student was enrolled decreasing from 124 to 106 days.

The decrease in length of time enrolled does not mean families dropped off our radar. This year, we were able to help more families than ever with emergency housing assistance. Unfortunately, the lack of affordable housing in our community sometimes means families must move out of our transportation area in order to find a safe place to live, impacting the length of time families are enrolled at Positive Tomorrows.

Case managers are actively working to develop additional ways to address challenges for families transitioning out of homelessness, including building partnerships with property managers and educating landlords about accepting housing vouchers. Household stability is the foundation for successful engagement in school.

The trauma of homelessness almost always impacts academic growth. Children who face disruptive environments and frequent residential changes are at a greater risk for academic and behavioral challenges. For some of our students, simply maintaining their academic levels during trauma they experience is success.
Housing Assistance

A safe and stable home is a foundation all children and families need and deserve.

Positive Tomorrows Family Support team leverages key partnerships and funding sources to secure housing, prevent homelessness and keep families off the street.

Through generous private donations to our housing fund, and participation in innovative funding solutions like the Emergency Food and Shelter Program and the Emergency Solutions Grant, we were able to help more families maintain housing stability by strategically paying move-in costs, rent, utility bills and emergency motel stays for families in crisis.

Families on the cusp of regression, whether due to a crisis or upfront expenses for new housing, were able to see these potential barriers through to the other side and continue their path to self-sufficiency.

Assistance was provided to 44 households (164 individuals) 84% secured housing or remained housed without experiencing another instance of homelessness.
Hope Scale

We promote, nurture and measure hope—the core value that tomorrow can be better than today. Increased hope leads to an increased sense of wellbeing and an improved quality of life. Research shows hope is the single best predictor of well-being compared to any other measures of trauma recovery.

We recognize that every parent and child possess the strength and resilience needed to shape their own future. Through goal setting, creation of pathways and motivation, we harness the power and science of hope.

Adult and Child Hope Scale Surveys are administered to 3rd - 6th grade students and to each parent or guardian initially upon arrival and again prior to the family’s graduation from our school.

14% Increase in Hope Score among students from enrollment to graduation

13% Increase in Hope Score among parents from enrollment to graduation

Are you interested in supporting Positive Tomorrows?

With a variety of ways to give, it’s easy to find one that’s right for you.

- Make a one-time monetary gift
- Make a monthly recurring gift
- Make a gift of stock
- Include Positive Tomorrows in your will or estate plans
- Maximize tax benefits with a gift through the Opportunity Scholarship Fund (osfkids.org)
- Donate items from our needs list
- Donate your time

To learn more, call 405-556-5082 or email Brandon Brooks at bbrooks@positivetomorrows.org.

Please let us know if you find any errors or omissions within this donor list by contacting Jennifer Schmidt at jschmidt@positivetomorrows.org or at (405) 556-5082.
Partnering with families experiencing homelessness to educate their children and create pathways to success.
