

## Needs List

Positive Tomorrows is Oklahoma City's only school specifically serving children and families experiencing homelessness. We remove the barriers unique to a homeless child's life to make learning possible. By meeting needs like food, clothing, school supplies and personal care items, you can create a brighter future for students and families.

Arrangements to drop off items can be made by calling our offices at 405-556-5082 or emailing [kfloyd@positivetomorrow.org](mailto:kfloyd@positivetomorrow.org)
