

Needs List

Positive Tomorrows is Oklahoma City's only school specifically serving children and families experiencing homelessness. We remove the barriers unique to a homeless child's life to make learning possible. By meeting needs like food, clothing, school supplies and personal care items, you can create a brighter future for students and families.

Arrangements to drop off items can be made by calling our offices at 405-556-5082.

Merry Market Wish List 2020

At Positive Tomorrows, we ensure that every child can experience the excitement and joy this season has to offer. You can help by participating in the Merry Market!

How it works: Merry Market consists of two shopping areas, one with gifts for children; the other with gifts for parents. We transport parents so they can shop free of charge for their children. Students also shop for their parents. Volunteers help wrap presents so gifts can be taken home and opened on Christmas morning.

Why: Giving to those we love is a special part of the holiday season. The Merry Market gives our families the opportunity to experience the joy of giving, and empowers them with the precious power of choice

How you can help: Volunteer for set up on December 13, or wrap presents December 14-17. We also need lots of help collecting new gift items for children of all ages and adults. **Gifts can be dropped off at our new school, 901 N Villa OKC, OK 73107, starting November 16th – December 11th.**

Help stock our shelves by donating any of the suggested gift items below:
