

Merry Market Wish List 2023

At Positive Tomorrows, we ensure that every child can experience the excitement and joy this season has to offer. You can help by participating in the Merry Market!

How it works: Merry Market consists of two shopping areas, one with gifts for children; the other with gifts for parents. We transport parents so they can shop free of charge for their children. Students also shop for their parents. Volunteers help wrap presents so gifts can be taken home and opened on Christmas morning.

Why: Giving to those we love is a special part of the holiday season. The Merry Market gives our families the opportunity to experience the joy of giving and empowers them with the precious power of choice.

How you can help: Volunteer for set up on December 9th, or wrap presents December 11th – 13th. We also need lots of help collecting new gift items for children of all ages and adults. **Gifts can be dropped off at Positive Tomorrows starting November 20th – December 8th.** We will be closed and unable to accept donations on November 23rd and 24th. Please contact us for drop-off location and time.

Help stock our shelves by donating any of the suggested gift items below:
